**Revisit: Reallocating Funds in RTCC Budget:**

Website build unique to RTCCs is a favorable idea.

**Update - GTFS:**

Mapping being done by MnDOT. Building a MaaS (Mobility as a Service) which is a huge task. Glad that they are taking this on.

**Northern Lights Express (NLX):**

No Update...

**Inventory of Electric Car Charging Ports:**

Mora – need to be documented. Wyoming, MN – hospital parking lot. Pine City per Lezlie.  
ECE has a grant for communities to apply to build car charging stations.

**Lyft:**

Possibly Chisago County – Mike Harper, RISE  
Tim Schmutzer – update at January Advisory Meeting as a Whole

**UBER:**

Talks with PHASE-Industries/Tim Schmutzer  
On-Demand / Closed Fleet of 60+ vehicles  
First and Last Mile / Before and After Hours  
Use of UBER App/Platform, their driver check service, education, training  
Cost Prohibitive for us? Pilot program?  
\$20 - \$30K Initially,  
\$300 per vehicle UBER platform – RouteMatch and UBER have merged.  
Ashley mentioned that many of PHASE vehicles are ADA accessible.

**Automated Vehicles:**

High Speed Broadband federal funds – see article.  
¾ of the \$400 million granted in MN went to LTD Broadband corporation. There may be issues with this.  
Article on this was sent to the board previously.

**Update on Surveys in Northern Mille Lacs area:**
